REPLY TO NOTICE OF NONCOMPLIANT APPEAL BRIEF DATED JUNE 13, 2007

In reply to the Office Action of June 13, 2007, Applicant submits the following remarks. The examiner indicated that claim 23 was not properly summarized. Appellant had properly summarized this claim by reference to the corresponding element in claim 1. Specifically Appellant stated: "This feature finds support as generally set out for claim 1."

Appellant considers that this is acceptable practice. However, in order to avoid any further delays, Appellant has summarized claim 23 and in addition claim 30 by reference to page and line number. Appellant contends that the brief is compliant and awaits the Examiner's Answer or Notice of Allowance.

No fee is due. Please apply any other charges or credits to deposit account 06-1050.

Respectfully submitted,

Date: 7/13/07
